14-15th October Event: Over Night Road Trip.

As Profiled at the AGM, following the successful weekend road trip to National Park in October 2022, we are planning another weekend away in October 2023.

Thank you for registering your interest for this run – in total we have 18 cars totalling 33 people who have registered their interest in joining us for the weekend.

The next steps from here at stage are related to booking accommodation in Katikati for the Saturday night.

We have reserved two options for rooms and these will be available on a ‘first in’ basis – the reservation is under the name of the Waikato Jaguar Club so each party will need to contact the accommodation providers directly to secure booking – there are only limited number of rooms available and therefore we recommend that you secure your accommodation booking asap.

Option 1: Talisman Hotel Katikati (07) 549 3218 **(NOW FULLY BOOKED)**

Option 2: Asure Kaimai View Hotel (07) 546 0398

There are 11 units available here

Once these rooms are all booked anyone who has not then secured their accommodation would need to stay at the next closest accommodation, which is Sapphire Springs about a 10 min drive out of town – we have not reserved any accommodation here but rooms are currently available.

Once you have secured your Accommodation please send me an email so I can keep the attendance register up to date for all future communications.

Linda-Maree and I are looking forward to being your hosts for this run.

If you are interested in coming, please email us on

russell@russelldrakeconsulting.co.nz or text 021 686 621

Just a friendly follow up – reminder email regarding booking your accommodation for the October Road Trip

The Talisman is now full and Kaimai View will only be holding the reserved rooms for another 7 days so if you are still intending on joining us for this weekend please confirm your accommodation asap by phoning **(07) 549 0398**

Once you confirm your accommodation, please email me so that I can keep you up to date with plans as these are confirmed.

We have had a few people who originally signalled their interest drop out – and I have also had a few people that cannot join us on the Saturday indicate that they would like to catch the touring group at the Flat White in Waihi Beach for lunch on the Sunday and then come with us to Agrisea. Therefore, if you cannot now stay overnight but wish to be part of the Sunday activities please let me know as this will be also be for prebooked members only due to the fact that we have to confirm numbers at Flat White.

Look forward to hearing from you.

Presidents Report 18/6/23

A warm welcome to you all. We have had a fabulous year.

A big thanks to the committee for the work that you have done. A big thank you to Russell for the use of your workplace for our meetings and keeping the website up to date. A big thanks to Bernard for taking over the newsletter, What a fabulous job you are doing. The communication is so important, not only to our members but to the other clubs around the country. A thanks to the committee that toil away in the background and get stuff done.

We have had a run every month and I'm sure out of those you all have memorable ones for different reasons.

Here is Helen and my memorable ones

John and Marg mystery tour, we've been on many tours over the years but these are the best. Humour, difficult, fun, interesting, are just some of the words that come to mind. Well done John and Marg

Smash palace and High Tea

BBQ at Russell and Linda-Maree's place. Thank you for opening up your home for us. Fabulous people, fabulous venue, fabulous food. Well done and thank you.

Brits and Euro, 87 Jaguars and 1000 cars. A great day out

Awhitu run. A beautiful part of the country and a great turn out

Rolls Royce collection. We are very grateful to be able to visit and enjoy the passion and on to the winery for lunch.

Our club is continually changing. We have 31 paid memberships which is actually 54 people

Throughout the year we have had 11 new membership enquires, 6 have joined, 2 enquiries this week so we will see if they join.

We send our newsletters to 5 other clubs, Taranaki, Nelson, Wellington, Otago, Tauranga.

You will have seen that we spent \$51.70 to join the 'New Zealand Federation of Motoring'. It has 125 member clubs and most of the Jaguar clubs in NZ are members along with the vintage car club, Hot rod club and the motorhome club.

Read FOMC

I think we should do some home work on incorporated society and see if it benefits us or protects us in any way.

Moving on to our club. Some changes are here for our club and I want to explain them.

The committee members have done a fabulous job in creating monthly runs for us to all enjoy. Ron has resigned from the committee due to family constraints . And Bruce Weeks is stepping off the committee from this meeting. A big thank you Bruce for your contribution, loyalty and enthusiasm.

Moving forward we will be seeking new committee members to replace Ron and Bruce. The changes will be that from our first committee meeting, a 12 month calendar will have the names of a committee member for every month who will be doing everything for that particular run.

Start place and time; liaise with whoever we are seeing. Go see the place, the person. Is there enough parking, water, toilets shade etc? Getting numbers of who is going. Cancel if wet.

This is where it affects all of you.

This person's contact will be at the bottom of the run in the newsletter. That's your first point of contact. This is about sharing the load. Myself and the committee are here to help and advise so you don't get dropped in the deep end.

Thank you folks, that's all from me.

Its now time for the election of offices. As you know the whole committee stands down and we call for nominations of positions.

Committee stand down and I will hand you over to Russell to call for nominations for President

JAGUAR NATIONAL RALLY JULY 2023 NEWSLETTER

Winters settling in down here with beautifully clear but cool days and even cooler nights. Don't worry. This won't be an issue next March for our rally.

We are delighted by the number of registrations to date but be assured there is room for more. Our venues are not number restricted so literally 'the more the merrier'.

There have been questions around the availability of concessions on the inter-island ferries. Sorry but to date we have not been successful in getting either ferry company to address this matter. They are focussed on the current shortage of ships, disruptions to their timetables due to mechanical breakdown, weather delays and a pressing demand from the public and business sectors for space. Giving concessions appears to be off the cards at this point but we will continue to meet with them. Our advice however is that given the issues mentioned above you should reserve / confirm your space on the ferries now rather than hold off in the hope of perhaps getting a discount.

One objective of our rally is to attract a greater numbers of entries in the concours competition. Concours is a great tradition of car shows and rallies all around the world. An opportunity for owners of vehicles on which they place considerable time and effort (and money in many cases) in ensuring that the vehicles are presented well.

Perhaps one of the draw-backs in the past has been a lack of understanding exactly what concours is about and exactly how it is going to be judged. So here is that information:

Understanding Concours - National Rally 2024.

With these few words we hope we can encourage you to enter your car into our National Rally Concours Event. We are about, but not limited to, ensuring our older models are preserved.

Your car might be 10 years old or older, it doesn't matter. If your car is well cared for, clean and in good condition you could be a winner.

- Cars are inspected for condition, cleanliness and originality, and fully restored cars are very welcome.
- Clean your car inside and out. This makes the judge's job easier to assess the real car rather than one covered in dirt or full of travel clutter.
- A points system considering the cars age will apply, so as not to give the later models an advantage.
- This is not a Pebble Beach type of competition.
- Enter and enjoy the experience with a great bunch of likeminded enthusiasts.

Some basic requirements for the 2024 Concours.

- Only cars registered up to and including 2014 will be accepted to enter the concours competition.
- Cars need to be thoroughly washed and cleaned, before being presented for judging.
- Cars are to be parked in the event area, owners to open: the bonnet, doors, boot lid and soft tops down as required.
- Judging Team 1 will inspect, then the owners will be asked to close those opened items.
 - Judging Team 2 will then complete their inspection of remaining areas.

Concours Classes.

- Best Sports Car, up to 1961
- Best Sports Car, 1962 onwards
- Best Saloon Car, up to 1968 (pre XJ Models)
- Best Saloon Car, 1968, XJ and onwards
- Most Outstanding Restoration
- People's Choice
- Most Original Jaguar
- Best In Show

Not a concours entrant, but a separate award considering all rally participant vehicles

- Survivors Cup

Notes:

1. If the weather is not suitable on the day the organisers may have an optional procedure available.
2. The organisers believe that to be in the true spirit of Jaguar Rally events that cars should be road legal and driven to the event. This does not mean it can't be trailed to Christchurch but must be driven to the judging.

So, you now have the same information that we have. Nothing is secret. We ask you give thought to entering concours and showing off your pride and joy.

In our next newsletter in August you will:-

- Be asked to confirm if you are entering concours.
- Be invited to attend 3 break-out sessions on the Saturday afternoon (two Jaguar related) or you may prefer to do a short bus trip to one of Christchurch's major attractions (more detail to follow)
- Be asked to advise which of the 4 options for the Sunday drive you wish to do. To remind you these are 1) to visit Hanmer and a significant car collection en-route; 2) to visit Akaroa 3); to visit a magnificent car restoration business and a great private car collection within Christchurch or 4) an easy drive through Christchurch, over to Lyttleton etc should you wish to stay local.

We will also be attaching the invoice for the balance of the registration fee which will be due at the end of September.

We promised to make every endeavour to reduce the indicated costs of \$450 per person but given the current environment of increasing costs, especially food costs, this has so far proven impossible. We will continue to work on this and should there be any significant improvement we will determine a way by which to reimburse those attending.

Please remember. If you have any queries what so ever regarding the National Rally please contact us on any of the email addresses on the front page of this newsletter. We want to ensure that your time with us is the best experience.

Kind regards
