Last Month's Event

Over Night Road Trip.

Words & Photo's by Neil Clatworthy

12 cars met at Hautapu "Z", then headed away to Tauranga bypassing town and to Te Puna to Brunch at the Cider Factorie Te Puna where a hearty brunch was had. On from there to the Quarry Garden and a walk to ease the food down. Leaving after there we did individual things before arriving at Katikati and the Motel Talisman and booking in. Dinner drinks before formal dining was great, all enjoying the night. Rugby and Elections filled the Sunday morning. Then off to Waihi for lunch at Flat White. Everyone enjoyed a snack and we left for Paeroa and the Agrisea Factory. A great tour, a cuppa and thanked our host with a bottle of wine. We split up to head home to Hamilton.

Thanks to Russell & Linda-Maree for organising this wonderful weekend away.

JAGUAR NATIONAL RALLY September 2023 NEWSLETTER:

It's hard to believe that in just over 6 months we will all be attending the 15th National Jaguar Rally. We are encouraged by the number of registrations received to date. We appreciate that there will be further adjustments – both up and down – between now and the event but on the basis of current registration levels this may be the largest national rally for some years.

Given the level of new registrations we feel it wise to recap everything as those who have just registered may have missed out on earlier newsletters. Our apologies should this be boring to others.

The 15th Jaguar National Rally is to be held in Christchurch over the Easter Weekend March 29th – 31st, 2023.

Venue:

Airforce Museum of New Zealand, Wigram, Christchurch. This promises to be an exciting venue as it enables us to hold our functions and place displays amid the fabulous exhibits of aviation history in New Zealand.

Accommodation:

The downside of the museum is that it is not located in close proximity to hotels, motels etc. There are a few but in most cases accommodation will be some distance away. Earlier we provided clubs with recommended accommodation and most clubs made arrangements early on. Accommodation is the responsibility of clubs / individuals.

Price:

The cost of registration is \$450.00 per person. We have made every endeavour to reduce these costs but in today's environment of rapidly rising costs this has proven impossible.

Inter-Island Travel:

Endeavours were made seeking discounts on ferry travel. Sadly, these were unsuccessful. Given the issues currently affecting inter-island travel – weather, mechanical problems, ships off being serviced etc.- demand has built up and companies are struggling to meet commitments. It was our advice that clubs / individuals make inter-island booking immediately to ensure their place.

The day is set aside for leisure activities. 4 trips have been organised but of course some may wish to have this time on their own. The choice is yours. In the next newsletter you will be asked to advise which tour (if any) you would like to go on.

TOUR 1:

Departing the Airforce Museum carpark at 9.00am you will head to Hanmer Springs. Drive time under 2 hours each way. Famous for the hot pools but you will find there is a lot more to do in Hanmer. Bungy Jump, horse riding, rafting, quad bike tours, miniature golf to name but a few. Side trips are your responsibility to organise. On the way there call in at Waimak Classic Cars (located just before Amberley). From here our club members Jesmond and Gloria Micallif run their business which is well known for the wonderful selection of classic cars available for sale.

<https://waimakclassiccars.co.nz/>

TOUR 2.

Departing the Airforce Museum carpark at 9.00am you will head for Akaroa. One of the scenic hotspots accessible from Christchurch. Drivetime 90 minutes each way. Known for the French influence of the village it is easy to walk around. You can do dolphin tours, trekking, enjoy the artisan shopping. On the way stop off at the art gallery at Little River or the cheese factory at Duvauchelle.

TOUR 3.

Departing the Airforce Museum carpark at 10.00am this tour is for the real enthusiasts. Visits have been organised at Auto Restorations – a world renowned restoration business. It is a rare treat to go through this workshop and observe firsthand the exceptional work that they do.

<https://www.autorestorations.co.nz/>

Then its onto Auto Haven. This is an exceptional private collection of classic vehicles. Nothing much else like it in New Zealand.

AUTOHAVEN

<https://autohaven.co.nz/>

Please note this is not a business. Entry to this collection is not the norm. There is a charge of \$35 per head for the visit to Auto Haven Collection.

TOUR 4.

For those not wishing to travel far but wanting to see the sights of Christchurch this tour leaves the Airforce Museum carpark at 10.00am. You will drive through the city, around the bays to Sumner. Over the hill to Lyttleton. Around to Diamond Harbour. Back and though Gebbies Pass and on to Halswell.

In Halswell you will find the magical personal car collection of our club members Ray and Nancy Drury. A large collection covering many brands but including 9 Jaguars. It is also home to a Wurlitzer organ and you will be treated to a recital by organist Richard. From there is a short trip back to your accommodation.

All tours will be escorted by members from the Christchurch Jaguar Drivers Club.
Should any issues arise, they will be your point of contact.

For those of you who do not wish to go on an organised tour, we recommend that you visit the botanical gardens; the Arts Centre; the Art gallery; convention centre; take a scenic ride around the city on the trams; take a canoe ride up the Avon River; go up the gondola in the Heathcote Valley for unique views over both the city and Lyttleton harbour; visit the Riverside Market in town or the Riccarton Market which is located at the Riccarton Racecourse; walk the town and enjoy the numerous new buildings and the general feel of a city which has undergone so much change since the earthquakes. There is much to see and do.
